

2016 Ninth National Doctors of Nursing Practice Conference Baltimore

Baltimore Marriott Inner Harbor at Camden Yards October 5-7, 2016

Transforming Healthcare
Through Collaboration

Transforming Healthcare Through Collaboration

The learning outcome/purpose of this conference is to enable the learner to explore practice techniques in order to enhance effectiveness and improve health care outcomes through doctoral prepared practice.

1. Discuss the impact of collaborative partnerships involving the DNP prepared nurse with intra and inter-professional colleagues to transform healthcare.
2. Identify methods to maximize professional organization partnerships that improve healthcare outcomes.
3. Explore the cultivation of partnerships between academia and practice.
4. Critically reflect on methods to utilize collaboration to maximize nursing productivity.

This national conference provides a forum for advanced practice nurses, leaders, policy makers, and scholars to explore and share competencies of the DNP prepared nurse that can influence health care practice, delivery, and patient outcomes.

Doctors of Nursing Practice, Inc. (DNP, Inc.), in its effort to showcase the innovative roles of the Doctor of Nursing Practice prepared nurse and the impact on nursing science and national healthcare delivery agenda, enthusiastically invites you to attend this years event.

This conference is intended for Registered Nurses, Advance Practice Nurses, and doctoral prepared nurses.
