The DNP and Quality Improvement

The learning outcome/purpose of this conference is to enable the learner to explore practice techniques in order to enhance effectiveness and improve health care outcomes through doctoral prepared practice.

Conference Objectives

- 1.1. Identify best practice processes to incorporate quality improvement initiatives in a variety of health care delivery settings.
- 2.2. Locate resources both within and outside of health care to heighten quality improvement skills of the DNP prepared professional nurse.
- 3.3. Articulate quality improvement strategies in the context of a dynamic health care delivery system.

This national conference provides a forum for advanced practice nurses, leaders, policy makers, and scholars to explore and share competencies of the DNP prepared nurse that can influence health care practice, delivery, and patient outcomes.

Doctors of Nursing Practice, Inc. (DNP, Inc.), in its effort to showcase the innovative roles of the Doctor of Nursing Practice prepared nurse and the impact on nursing science and national healthcare delivery agenda, enthusiastically invites you to attend this years event.
